

# **SQM2008 CONFERENCE**

## ***(Software Quality Management, Processes Improvement, Research and Education)***

**The International SQM & INSPIRE 2008 Conference on  
Software Quality Management, Process Improvement,  
Research and Education**

**SQM**

**University of Ulster  
Jordanstown Campus, Newtownabbey  
Northern Ireland**

**INSPIRE**

**Date: 18<sup>th</sup> – 19<sup>th</sup> March 2008**

This combined Conference (16<sup>th</sup> International Software Quality Management and 13 Annual International Conference on Process Improvement Research and Education) aims to promote cooperation and greater understanding amongst practitioners and academics by providing an opportunity to share research and practical experience.

INSPIRE addresses software process improvement related to teaching, training and research. SQM addresses issues relevant to business and industry.
